Welcome to Millbrae Crescent.

We have three attractive properties two with four star ratings available to rent. An upper and lower apartment at the same location at Millbrae on the south side of Glasgow, and a smaller apartment in the old Cathcart area. The Millbrae and Cathcart apartments are around 1 mile apart.

Each of the Millbrae apartments can accommodate up to five people making a maximum of 10 in a party if both properties are rented at the same time. Ideal accommodation for wedding parties or visiting relatives.

These apartments are a 10-15 minute stroll to the main shopping areas and nightlife of Shawlands, and situated very close to Langside train station. On street unrestricted parking is available.

The Cathcart property sleeps two or three people and is very close to Cathcart Station.

All of these large spacious apartments are beautifully appointed and make an ideal base for exploring several regions of Scotland and are situated in areas of architectural and historical interest.
